NEW YORK, Nov. 03, 2022 (GLOBE NEWSWIRE) -- Apollo (NYSE: APO) today announced that infrastructure funds managed by its affiliates (the "Apollo Funds") have completed the previously announced sale of Parallel Infrastructure ("Parallel"), a leading tower platform and build-to-suit provider, to Harmoni Towers, a portfolio company of Palistar Capital LP.

Apollo Partner David Cohen said, "We're proud of Parallel's strong growth and performance under our fund's ownership, and they are well positioned to continue scaling as part of Harmoni, one of the most active tower builders in the US."

Dylan Foo, Partner and Head of Infrastructure at Apollo, added, "The successful carveout, performance and subsequent sale of Parallel marks a milestone transaction for our growing infrastructure franchise at Apollo and a strong realization for our flagship strategy."

The Apollo Funds acquired Parallel in 2020 through a corporate carve-out transaction. As part of its value creation plan, Apollo stood up the business as an independent tower platform, and approximately doubled its size in the subsequent two years.
